

Cartwheel, skip, step, JUMP!

How to play

- (1) Try to match the body parts according to the “tracks” marked on the ground!
- (2) Clear the missions marked on the park path one after another and move forward!
- (3) You must have the courage to give up what you cannot do!

Caution

- Please give priority to the passage of visitors.
- Please do not run.
- If you feel you are about to lose your balance, please do not force yourself to stop playing.
- Do not engage in any other activities that are restricted by the park staff.
